<ul style="list-style-type: none"> Demonstrate understanding of future proofing influences that affect business viability. 	<ul style="list-style-type: none"> Demonstrate, in-depth, understanding of future proofing influences that affect business viability. 	<ul style="list-style-type: none"> Demonstrate comprehensive understanding of future proofing influences that affect business viability.

Explanatory Notes

- This achievement standard is related to *The New Zealand Curriculum*, Learning Media, Ministry of Education, 2007, and to the material in the Teaching and Learning Guides, Ministry of Education, 2016 at <http://seniorsecondary.tki.org.nz>
- Demonstrate understanding* involves explaining future proofing influences and how these influences could affect the viability of an identified business.

Demonstrate, in-depth, understanding involves giving a thorough explanation of the short and long term impact of future proofing influences that could affect the viability of an identified business.

Demonstrate comprehensive understanding involves evaluating the short and long term impact of future proofing influences, predicting impacts both within and beyond the identified business and the consequences of these impacts.

- 3 *Future proofing* refers to understanding the influences on a business that could affect viability. Examples of influences include:
- economic
 - environmental
 - political
 - cultural
 - social
 - ethical
 - technological
 - biological
 - scientific
 - legal
- 4 *Viability* refers to ensuring the continuity of a business to meet current and future needs.
- 5 Conditions of Assessment related to this achievement standard can be found at <http://ncea.tki.org.nz/Resources-for-Internally-Assessed-Achievement-Standards>.
-

Quality Assurance

- 1 Providers and Industry Training Organisations must be accredited by NZQA before they can register credits from assessment against achievement standards.
- 2 Organisations with consent to assess and Industry Training Organisations assessing against achievement standards must engage with the moderation system that applies to those achievement standards.
