1 INTRODUCTION

This achievement standard involves using German to give a spoken presentation that communicates a personal response.

There is **one task** for you to complete in this guide. Prepare a spoken presentation of about **two to three minutes** in length.

The following instructions provide you with a way to structure your work to demonstrate what you have learned to allow you to achieve success in this standard.

INSTRUCTIONS

- You may do the assessment at any time, but it is best to complete modules GRO3001 – GRO3006 first (with any accompanying vocabulary and grammar/structures support documents) and have a chat with your Te Kura teacher about whether you are ready or not.
- You should aim to complete the spoken presentation by the **end of September**.

You must:

- **make a video recording** of your spoken presentation. Audio only recordings will not be accepted
- **have your supervisor with you when you record your video**. Your supervisor must introduce you on the video.

You will be awarded a **Not Achieved** if you do not have a supervisor.

YOU WILL NEED:

- A quiet venue to make your recording.
- A good quality video recorder.
- A means to submit your final video file to the My Te Kura assessment dropbox. You can store your file in a Google Drive or another 'cloud' file storage system and upload the link to My Te Kura **GRO3006Y3 Spoken presentation assessment dropbox**. Submit your final submissions as video files in one of the following formats: .mp4, .wmv, .avi, .mov.

2 CONDITIONS

- All the work that you include in your spoken presentation **must be entirely your own work**. Extracts from external sources should not be included without acknowledging the sources. Any extracts from external sources will not be considered in the final achievement judgement.
- Your supervisor does not have to be present while you prepare and practise, however **your supervisor must be present during the actual video recording**. If you are attending a school this must be a supervisor from your school.
- **Your spoken presentation needs to be recorded on video** for assessment and moderation purposes. Record your spoken presentation digitally using the My Te Kura facility, cell phone or other mp4 format. You should be in full view of the camera at all times. You should position the camera to capture your full body to allow facial and body language to be observed. Filming must be continuous.
- You may have the text of the spoken presentation with you, or use notes such as cue cards to help you. However, **you must not read your spoken presentation** straight from your notes as it will then be ‘reading aloud’ rather than a presentation.
- When you record your presentation don’t forget to check that your recording is clear and audible.
- Your video recording, or a link to your video, (and any notes used during the recording) must be uploaded to the **GRO3006Y3 Spoken presentation assessment dropbox**.
- Plagiarism detection software may be used to check this is your own work.
- We strongly advise you to only use the German you have learnt during this course, or German you know to be correct, and to use any additional resources with caution. The course material provides sufficient language for you to gain Excellence in this standard.
- German from the German language samples in the assessment schedule may not be used unless it is significantly reworked.

SUPERVISOR REQUIREMENTS

- A supervisor must be present at specified times for this assessment. You must provide the full name of the supervisor and their relationship to you (e.g. parent, teacher, teacher aide etc.) when you upload your assessment to the **GRO3006Y3 Spoken presentation assessment dropbox** or a link to your video.

Information for the Supervisor

- Your student will come to you to arrange a time when he/she is ready to record their spoken presentation. Your student should video their presentation.
- Your student is allowed cue cards, notes, or the text of their spoken presentation to refer to when they make their recording. But, **he/she must not read** entirely from their notes. It is a spoken presentation, not a reading aloud assessment.
- To assist with authenticity you need to introduce yourself at the beginning of the student’s recording. **Please say the following when the student starts his/her recording:** ‘This is (your name – first name and surname) supervisor of (student’s name – first name and surname)’.
- Thank you for your help.

3 SPOKEN PRESENTATION TASK

OVERVIEW

The following spoken presentation task will help you provide evidence for Achievement Standard 91549.

Prepare a spoken presentation of about **two to three minutes** in length.

GRO3006Y3 – German reunification

Imagine you are participating in a national German speech contest on the German Reunification, giving your opinions on selected aspects to the adult judges.

Choose some of the stimulus material below (pictures) as the basis for your presentation.

You could include:

- freedom of movement
- the employment situation before and after
- changes for people on either side of the wall after the reunification
- hopes and expectations on one or both sides and how they have (not) been fulfilled
- the living conditions in East and West Germany
- any other information relevant to the topic.

Remember that this is a presentation with your personal note to it, **not** a history lesson.

Mauergraffiti (from lesson 5 Activity 5D)

The images from the following lessons might also help you:

- GRO3003 Lesson 2 – Die Mauer am Brandenburger Tor
- GRO3006
 - Lesson 2 Getrennt; Die Berliner Mauer; 'Secret tunnel' under Berlin wall
 - Lesson 3 The Trabant automobile; Freie Deutsche Jugend – Symbol
 - Lesson 4 Activity 4A Plattenvauten; Fernsehprogramm;
 - Lesson 5 Freedom – Berliners on the wall that had divided them; Graffiti of a Trabant driving through the Berlin Wall.

You may also submit other speaking in German that you have done. This must be in video format. Make sure you discuss this with your Te Kura German teacher **before you start preparing your presentation** so you can make an informed choice as to whether this item provides the best evidence of your speaking skills.

4 TIPS FOR SUCCESSFUL SPEAKING

Key things you need to do to gain this standard:

- Submit one spoken presentation about two to three minutes in length. **Remember quality is more important than length.**
- Explain and justify a viewpoint in response to stimulus material relevant using a range of language that is fit for purpose and audience.

If you are aiming for merit or excellence, take careful note of what you need to do by looking at the standard and explanatory notes in the next section of this guide.

Other useful tips

Planning and preparing:

- Read the instructions, the topic, assessment schedule and any other details.
- Brainstorm your ideas.
- Think about how to capture the attention of the listener.
- Pay special attention to any formal or respectful language you should use.
- Present your information and ideas in a logical sequence.
- Communicate key information and ideas clearly.
- Develop your ideas by giving examples and explanations.
- Use a range of language and vocabulary.
- Give and support point(s) of view.
- Analyse, interpret and evaluate issues.

Practising:

- Use cue cards or notes while you are trying to remember your sequence of ideas.
- Speak clearly and audibly – practise saying your presentation several times right through in a clear voice.
- Use accurate pronunciation and intonation.
- Avoid long pauses.
- Check before doing a final recording that what you say can be heard easily.

Recording:

- When you are confident, video record your prepared spoken presentation with your supervisor present.
- Avoid over-using notes or cue cards when recording as they may detract from the presentation. You will not achieve the standard if you read completely from your notes or cue cards.
- Position the camera to capture your full body to allow facial and body language to be observed. Filming must be continuous.
- Record your presentation digitally using the My Te Kura facility, cell phone or other mp4 format.
